

THE RAIL SAVER

Repairs rails fast, from the inside out.

Repairs rails up to 27" deep.

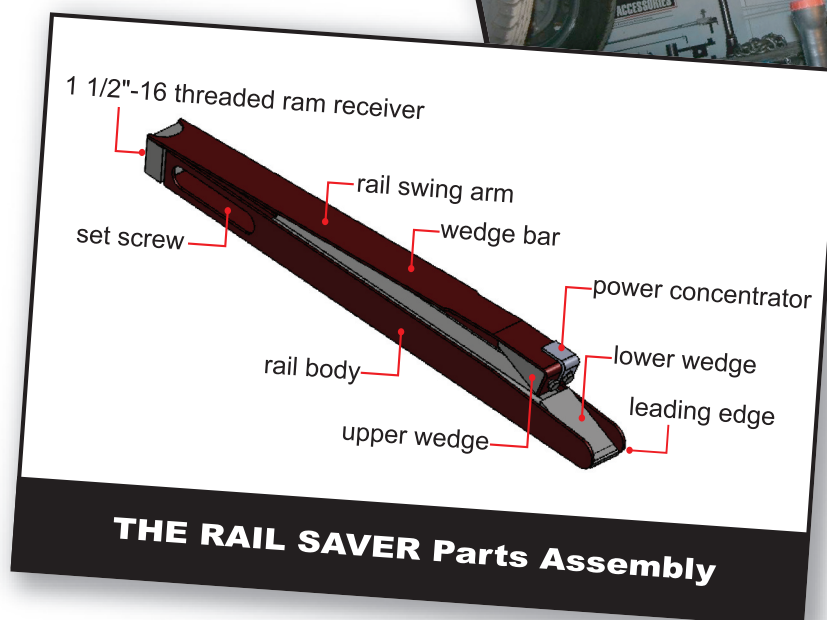

Don't spend time drilling and cutting access holes only to weld them back together.

Reduce cycle times.

Converts your 4 ton ram* into a powerful box rail repair tool.

Repair more cars.

Improved repair technique.

**SAVE A RAIL,
SAVE A TOTAL LOSS,
INCREASE YOUR
BOTTOM LINE.**

*4 ton pump and ram not included. Patent pending.
